Purpose

Securing a loan from the Robert Brunk Educational Fund is a privilege and not a right. The purpose of this fund is to provide financial assistance, in the form of a low interest loan, to students who are motivated to succeed in their educational endeavors.

Rules and Regulations

The Cherokee State Bank of Cherokee, Iowa is Trustee of the Robert Brunk Educational Fund. The board of directors of said bank as Trustee shall constitute the body who shall have the sole power and authority to formulate and promulgate such rules regulations and restrictions consistent with the objectives and purposes of this trust, under which financial assistance shall be given to applicants, and to pass upon the fitness and need of all applicants for assistance under the terms of this trust.

Any beneficiary who receives a loan from this trust shall be subject to such rules and regulations as may be imposed by the Trustee. The Trustee appointed for this trust reserves the right, and the student concedes to the Trustee the right, to withdraw such aid without liability on the part of the Trustee, when in its judgement the student beneficiary is not making the best use of the opportunities afforded by reason of the aid received.

The Trustee shall keep track of the progress of each beneficiary receiving a loan and when in its judgement such beneficiary is not making the best use of the opportunities afforded by reason of aid received, then it may withdraw such aid or it may continue the same upon such additional terms as may to it seem best.

Of the students selected, the Trustee expects that they will cooperate heartily with the Trustee and the institution of learning which they attend.

Each beneficiary, upon receiving a loan, shall give a written promissory note for same which shall not bear interest unless it is not paid at the time it is due, which shall be at least ten years from the date of the note. After the due date of the note, repayment of the loan balance shall be amortized for monthly payments for three years at an interest rate of 5%. If the borrower would desire a longer repayment schedule (with the maximum repayment length of time being 10 years) an application can be made with the Cherokee State Bank trust department.

A provision of the Robert Brunk Educational Fund is: "in the event of default, the Trustee shall be authorized to take such steps as are necessary or required to effect the collection of any principal or interest due thereon."

Pledge

The undersigned hereby makes application to the Trustee of the Robert Brunk Educational Fund of Cherokee, Iowa, and hereby pledges that: All of the answers in this application are true and correct to the best of my knowledge and belief. The loan proceeds granted to me will not be used for any other purpose than the expenses of my education.

I have read and understand the rules established by the Trustee of the Robert Brunk Educational Fund and agree to conform to the terms of repayment set forth therein.

If the loan is awarded to me I further promise:

- To answer promptly (within 6 days) all correspondence relation thereto.
- To keep the school and Trustee of the Robert Brunk Educational Fund informed of my contact information (mailing address, email address and phone number) as long as any part of the loan received by me has not been repaid to the Trustee.
- To repay the amount of the loan to the Trustee according to the terms of my agreement.

I recognize that this promise, to answer promptly all correspondence relating to the loan and to keep the school and the Trustee advised of my contact information, is fundamentally important, and that receiving the loan is contingent thereon.
