*Annual Percentage Yield (APY) shown above assumes that all principal and interest remain on deposit for the entire term. Fees can reduce earnings. Interest Rates and Annual Percentage Yields may change daily at the bank's discretion. Please call 712-225-3000 for current rates. Early withdrawal penalties may be imposed. Please ask any Customer Service Rep. to obtain full account disclosures that include information about these accounts.

The Annual Percentage Yield is a percentage rate reflecting the total amount of interest paid on an account, based on the interest rate and the frequency of compounding for a 365/366 day period.

Daily Balance Method- We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.
